Dear Sir/Madam,

**Sub: International Conference on Emerging Trends in Electrical and Power Engineering**

**"ICEEPE-2016"- 4<sup>th</sup> April 2016**

*Greetings...*

Narayana Engineering College was established in the year 1998 under the chairmanship of Dr P Narayana. This is one of the several prestigious institutions sponsored by Narayana Educational Society, across India. Within a short period, the college has witnessed significant growth and stands as one of the premier private unaided Engineering Colleges in AP today and recently our college was ranked as 'A' Grade by Govt. of AP.

The International Conference on Emerging Trends in Electrical and Power engineering (ICEEPE-2016) will be held at Narayana Engineering College, Nellore, AP, India on 4<sup>th</sup> April 2016 in collaboration with International Journal of Electrical and Electronics Engineering Research (IJEEER) from TJRPC Journals. Nellore is going to be a hub for a large number of power projects. As of May 2015, the total installed capacity in Nellore district is around 3,000 MW and capacity to the tune of 10,000 MW will be connected to the grid shortly. Nellore is also the place where one of the largest power dispatch stations is located. The objective of the First International Conference on Emerging trends in Electrical and Power Engineering "ICEEPE-2016" is to provide a platform for academicians, research scholars and technocrats to exhibit their research findings and developmental activities in the broad area of Electrical and Power Engineering. This conference will provide opportunities for the delegates to exchange innovative ideas and their experience to find out dealings for future collaborations. The conference is recognized as one of the major conferences in Electrical Engineering.

On behalf of the organising committee, We request you to send research papers from PG students, Research Scholars, Researchers and Faculty Members. We do hope that the Conference will be enriching and gives memorable experience for all the participants.
